Advanced Nail Art is a creative way to paint, decorate, enhance, and embellish the nails. It is a type of artwork that can be done on fingernails and toenails, usually after manicures or pedicures. A manicure and a pedicure are beauty treatments that trim, shape, and polish the nail. Often these procedures remove the cuticles and soften the skin around the nails. Types of manicures can vary from polish on natural nails, dipping powder, and acrylic nails.
